

Announcement

The German CITI-VAL-partner will be happy to welcome you in Rhineland-Palatinate for the meeting from the 5th to the 9th of March 18.

Because of the long journey time you all will be obliged to arrive on Sunday, the 4th of March and probably leave on Saturday, the 10th.

Our project meeting will take place in
54470 Bernkastel-Kues (BK), Rhineland-Palatinate (RLP)

BK is a romantic village beside the river Moselle, situated in the heart of RLP. BK is the birthplace of the philosopher and humanist Nikolaus von Kues, called Cusanus.

In the sunny periods of the year BK is overcrowded by tourists from all over the world, including Americans and Japanese. In March we are expecting some rainy days, interrupted by short snow flurries, which allowed us to get a very attractive rate at the hotel where we will reside. The rate is 59 EUR including breakfast for a single room.

The hotel “Burgblickhotel” (which means “view-to-the castle-hotel”) offers free Wifi, has been renovated only a short time ago, it has its own wine-bar and a recommended restaurant for German cuisine.

The hotel has only 20 rooms, so probably we will feel very private there. It will be necessary for us to know whether you intend to accomplish the number of four participants and whether the time 4th-10th of March is suitable to you. Please respond to this item as soon as possible, otherwise the hotel rates might go up for all of us.

The conference room is in walking distance, 2 minutes away from the hotel.

How to reach Bernkastel-Kues?

Check your itinerary asap. The nearest airport is Frankfurt-Hahn (not to be mixed up with Frankfurt International). The next train station is in Wittlich. (In Wittlich is the youth prison, the adult prison and the justice academy, places which we probably see on Wednesday for E5, the regional colloquium, and more. This is the main reason why we choose the location BK.)

From Ankara and Budapest you will probably fly to Frankfurt International and then continue your journey by train. The airport has a train station: Trainstation Frankfurt Airport Regional. The train goes via Koblenz to Wittlich and takes about 3 hours.

For Bordeaux and Almeria the journey might be more complicated. For Spain the German partners in Wittlich chose to take a train from Wittlich to Luxemburg and then a plane to Madrid and Almeria. For Bordeaux the TGV Paris-Saarbrücken and then a train from Saarbrücken to Wittlich (1h 37min) could be a reasonable travel route.

For trains please consult: <https://www.bahn.de/p/view/service/index.shtml>
From Wittlich to Bernkastel-Kues there is a bus (25min), but we will try to be of help to you there.

Please don't hesitate to contact us for any reason.
